J.

I remember being able to call Ms. Maria every time that I needed to talk to my Kendra. If she wasn't home, she would make sure that she called her as soon as I hung up the phone just to say, "Kendra, Joe called." Even though we only talked briefly, I'm going to miss dialing that number familiar number that never changed. I love you, Ms. Maria!

To the family, I extend my deepest condolences. Most importantly, to Kendra...you know that I love you very much, and that I'm here for you every step of the way. When you need somebody to lean on, cry on, laugh with, or just be there, you know that I'll be there before you can even get the chance to call! God bless you!
