My condolences to your family on the loss of your dear loved one, Gerald. I didn't know him personally, but he was one of God's children, and I hope your receive the comfort and strength you need to go one from caring friends, and from God's word, the bible. The bible offers much comfort at such difficult times, because it tells us of the wonderful hope of the ressurection, which will restore life to many who have died. Jesus, under the direction of Jehovah's holy spirit, brought many back to life; including Lazarus and a 12-year old girl. You can read these accounts at John 11:38-44, and Mark 5:38-43. Make no mistake about it dear ones, this world is soon going to undergo a great change that mankind has never ever witnessed before. Such tragedies as terroism, violence, crine, hunger, sickness, and pain will soon be a thing of the past. The bible says that these horrible things going on now will even be erased from our memories. Isaiah 65:17 says, "For here I am creating new heavens and a new earth; and the former things will not be called to mind, neither will they come up into the heart." Family, if you would like to know how these wonderful promises will come about, please contact me on my E-mail at your convenience.##imported-begin##R Johnson##imported-end##

My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
