Gertie Mary Pierrotte

November 2, 1911 - March 3, 2002

On November 2, All Saints Day, 1911 in Grenada, WI, the Lord blessed us with the birth of our beloved Gertie Mary Pierrotte. Born to Bertram Pierrotte and Louisa Duncan, Gertie was the eldest of four children. At age sixteen she migrated to Trinidad, WI where she worked as a “Bakery Dispatcher” until 1956 when she retired and went to live with her daughter and son-in-law Ulric and Merle Hypolite. The relationship with her son-in-law was one of mutual love to the point that upon his departure people realized that Gertie was not his mother. She took care of her four grandchildren, Jennifer, Janice, Steve and Stanton. She later became a great-grandmother of nine, Jenica, Danielle, Nicole, Shareef, Raquel, DeShaun, R.J., Jacina Jelysa. Gertie lived a very simple life, giving her time and energy not only to her grands and great-grands, but also to her numerous nieces and nephews, to name a few: Desmond, Jemma, Yolanda, Cynthia, Carlos, Winston, Ulric, Ian, Agatha, Jackie and many more who she loved individually. In 1973, along with her four grandchildren she migrated to the United States. Her life in Brooklyn, a New York was fruitful and filled with and abundance of love from friends and family, neighbors and children on the block. Called Auntie by some and Granny by all, she earned her love with young and old alike, and received much love in return. She was an active member of the Legion of Mary at St. Jerome’s Church. Among those who are here today to pay their respects are people from Trinidad, Grenada, Florida, New York and other states. After 90 years of God’s work, on March 3rd, she decided that it was time to leave her earthly

plain and move on to another, which she did so peacefully and quietly and is now at rest in her Heavenly Father’s care and keeping. To her we say we love you, we bless you and we release you knowing that you are traveling with the wings of God’s love.

The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##
