

Annette Louise Brown

April 1, 1948 - April 17, 2019

Annette Louise Brown was born April 1, 1948, in Baltimore, Maryland. An April fool's baby, since she was a surprise to her parents Annie and Jentry McDonald. She was born 10 years after her youngest sibling, the baby of 6; Marguerite Walker, Reginald ,McDonald, Jentry Jr, McDonald, Adolph McDonald and Ronnie McDonald. She was loving and caring child who loved to dress up and pose. (Annette was a little lady in every sense; one day Annette was walking down the sidewalk and her mom said, you walk like a duck". Next thing she knew she was enrolled into Patricia Stevenson's finishing School and soon Peabody Conservatory before she knew what happened.) Annette grew up as an active ,ember of her father's church Morning Star Baptist, participating in the choir and helping around the church. Annette attended Forest Park High School where she became a majorette and met her two best friends; Chaneta and Francine both of whom have gone on to be with the Lord. Annette furthered her education at Coppin State College where she met the love of her life. Darryl was a freshman on campus, and she knew he would be her husband. The Coppin crew; Darryl, Annette, Chaneta and Francine. They became inseparable, all of which are currently waiting for her to arrive in heaven. Soon after their meeting, Darryl enlisted into the United States Air Force, they were married on September 6th, 1975 by Reverend Lunn. They were blessed to travel all around the world and live in several countries. Annette used to say that it was such a blessing to be able to travel she felt that they should have been paying the military for their travel. While on tour, Annette fell in love with one of their station Mikonos, Greece. She would share so many wonderful memories about Greece especially how Easter the streets would be lined with candles for miles and the people would dance and celebrated all night till the candles went out she loved the iconic buildings and beautiful blue water. While on tour in Albuquerque, New Mexico Annette and Darryl were blessed with a baby girl named Shannon. Annette worked in a variety of fields of employment. She would tell me all about all of the fun experiences she had. One in particular was when she worked with the Space Shuttle schedules. She told me how she couldn't tell anyone when it would happen, but she would tell Darryl they should dine outside that certain night and they would experience the Shuttle taking off. Annett's true love was working with children. While on tour she also worked as a teacher in a daycare while living on base. Once "they" retired to Baltimore

(because as a military wife you serve too) she worked for the family group home for displaced children, a sub for Baltimore City Public Schools, most recently began working as a Pre-school teacher for Jewish Community Center since 2012. Annette was very creative, she was such a well-rounded person and very book smart. Annette loved her family dearly and was devastated when she lost the love of her life in 2014. Darryl and Annette were married 38 years. Annette was a wonderful mother and grandmother to her two grandchildren Ava and Chloe.

On April 17, 2019 God called his angel to come home, she had completed her work on earth. She leaves behind her Daughter Shannon, Grandchildren Ava and Chloe, sister Marguerite, brothers, Reginald (Gloria), Adolph (Helen) and Jentry Jr. (Cassandra), and a host of nieces, nephews, cousins, relatives and friends.

“ Annette, you truly do not know when a moment becomes a memory. I remember the day you got married, I was an emotional mess seeing you walk down the aisle. I'm so grateful that we spent time together, Crab feast, parties, and we would have done so much more. I will miss you "Auntie Dear" but find comfort in knowing that you are reunited with Darryl. I can just see the two of you hand dancing to some good ole music! May you both rest in Heaven. To God be the Glory!

Your Loving Niece,

Rhonda

“ "it's Ava" I know you are not here Mimi I just want to say some things I will always love you no matter what happens in life and every decision I will think of you. I remember the first time you came to Florida and you took me to my soccer game and I tried my hardest to win the game and no we did not win it and I was sad and you the whole ride back home you were the one saying how good I did as a goalie. You were my idol and I always love you. end another thing was you always help me study and you help me get through Louise. I just want to say how much I love you and how I will always. and you were always beautiful and you were the best mini anyone could have.

“ I remember the very day I met Annette and Darryl, it was our 1st day at Iraklion AFB Crete Greece, they showed up at the Kwi Kwi hotel 26 years ago, Darryl was carrying Shannon and Annette carrying this little bundle wrapped in a baby blanket. I go over and say “oh let me see you beautiful baby, she goes shhh and shows me it was their dog Joe Joe. From that day forward for the two years we were stationed together a bond was formed that could not and will not be broken. Everyone that met Annette can see how beautiful she is inside and out. We stayed connected with each other even though we lived states away. Anytime I talk to friends in CT I explain Annette as Elegant as a queen. I will so miss my visit to Maryland to see her and vista when she came here. Love to you all. The world has lost another beautiful soul. She is now reunited with the love of her life. Shannon, Ava and Chloe we love you lots. I wish I could be there for you but remember I am only a phone call away.
