“ My Brother in Law had a smile that was contagious. He always greeted me w/ a smile and laugh even before he said anything. I will miss his wittiness and jokes. He shared his love for God w/ me during our last conversation and I will always cherish. May You Rest in Heaven Blair.

“ I will never forget Blair and his warm smile & calming demeanor. When I would come to Fairmount, he always got out of his chair to give me a hug. Just a beautiful person... and I'll always remember his kindness. Miss you, my friend.

“ Blair, I will always remember you as the face of Fairmount, that smile and greeting was the first thing we saw as we entered the building. I also had the pleasure of listening to your singing at 6:30 in the morning as you and I would be the first people in the building..a gentle person and a kind man. May you rest in eternal peace. “ Blair was more than a co-worker at Kennedy Krieger Institute, he was a friend. He was very mild mannered, knowledgeable about his job and caring. I had some of my best conversations with him. After I moved to Biddle Street and then to Ashland, I did not get the opportunity to see Blair often, but when I did, I was so happy to see his smiling face. Rest in peace, my dear brother. To the family, my thoughts and prayers are with you all. God bless you. Michelle A. Jones - Kennedy Krieger Institute

“ My deepest sympathy to Blair's family. I looked forward to going to work every morning just to greet him and see his smile. I worked at the Fairmount building for 6 years but moved to the 801 building in 2009. When I went back Fairmount in 2019, he greeted me with a big smile and hug and remembered my name! He was a very special man.
