“ Sending condolences to the family of Charlene. I worked with Charlene for many years in building 507 prior to her going over to work at the main medical center. She was a very easy going and kind person to be around and always greeted you with smile. Although she was small in stature, she wasn't one to shy away from telling you exactly what she thought of something. I pray that God keeps and sustains you all and embraces you in his comforting arms during this difficult time.
Peace and blessings,
Stacey Mallory
