

## Charles M. Shelton

December 25, 1966 - March 11, 2020

Charles Matthew Shelton, affectionately called "Chucky" was born on December 25, 1966 in Baltimore, Maryland to Toney and Sarah Shelton. Being the youngest child, born to this union, Charles was considered a Christmas gift to the family. Charles had a charming smile and was adored by his older siblings who often let him tag along just so they could boast about their "baby" brother. He was a very intelligent toddler and as he grew, he was willing to share his wealth of knowledge with anyone. He always looked out for his sisters before they married and continued to be concerned afterwards. Although he was the youngest in the family, his older brothers would call on him when needed. Relatives and friends could call on him at anytime.

Charles received his education in Baltimore County Public Schools and graduated from Dundalk High School. Chucky was a man of many talents. His interest in becoming an electrician led him to study at Tesst College of Technology. His gifts allowed him to repair autos as well as complete home improvement projects. Charles worked for various companies including RedStar Yeast, Noxell Corporation and Kaydon Ring. He was extremely passionate about his business known as "Chuck's Top Notch Tinting".

Charles was raised in Turner Station and had many friends. He loved sports and played on many teams including basketball. Chucky loved his family. He spent a lot of time with his father while growing up as well as in his later years. It is because of his relationship with his father Charles developed his mechanical abilities.

Charles was brought up in the church and as a youngster he was baptized at The Greater Saint John Baptist Church in Turner Station. After the devastating death of his brother, Gregory, Charles suddenly became ill. On March 11, 2020, God called Charles home after a few months of being hospitalized.

Charles is preceded in death by his brother Gregory Bernard Shelton. He leaves to cherish his precious memories a faithful father, Toney Shelton; a loving mother, Sarah Mobley Shelton; two daughters, Breyonna Shelton and Chatyia Shelton; his brother

Anthony (Yolanda) Shelton; three sisters, Barbara (Sidney) White, Vanessa (George) Harvell, and Tina (Harry) Smith; and a host of aunts, uncles, nieces, nephews, cousins and friends.

“ Chucky was loving, intelligent and kind and especially close to his family. I will never forget his heart. To Breyonna, we feel your pain. We know how close you and your father were. He was so so proud of you. To his father, I believe you were his best friend & he was blessed to have you as a dad. To his mother, few women understand the God-given assignment of being a mother like you were to him. Stay strong in the Lord. May Charles rest in the eternal heart of God. And may the God of Peace & Mercy receive him. We are praying for you all, that God strengthen, guide & grant you peace that surpasses all understanding. Rest & be well Chucky. We'll see you on the other side.

With sincere & heartfelt sympathy,
