

Damon Jamar Walston

March 27, 1991 - October 24, 2020

Damon Jamar Walston, was born in Baltimore, Maryland on March 27, 1991 to Veronica Walston and Calvin Bethea.

He was educated in the Baltimore City and Baltimore County Public School System. Later in life Damon received his High School Diploma. He took classes in electrical repair and was due to receive his HVAC certification in December. Damon was formerly employed by Kohl's Warehouse and Civicworks.

Damon enjoyed playing and watching football, and he received several football trophies for his participation in the games that he played in and helped to win. He also enjoyed the game of basketball, watching amateur and professional boxing and fighting. He liked to play cards, spending time with family and friends, attending special and social events, talking about cars, and his favorite car was a BMW. He bred dogs and just liked hanging out at times trash talking and telling stories, and he always had a story to tell. He had a way of getting your attention and making you laugh. He won the hearts of so many with his "smile" and kind words.

Damon made friends easily and was a "people person" and he was always willing to help you if you needed help. However, what seem to bring him the most absolute joy in his life was Damoni and Damari his two daughters. Damon was a proud, caring and loving father to his "Girls". They were "Daddy's Little Girls".

On October 24, 2020 Damon's life was suddenly taken away from us. He will be greatly missed by many.

Damon leaves to cherish his memories: his loving mother Veronica Walston; two daughters, Damoni & Damari; ▼ve brothers; Antonio, Donald, James, Vernon, and Darius; two sisters; Kristina and Sierra; two great aunts; Doris Walston and Denise

Brockington(James); two uncles; Allen and Andrew Cureton; one great uncle; Marshall Walston; ▼ve nieces; Autumn, Dreu, Indiya, Nyla, and Laila; three nephews; Antonio, Jr., Angelo, and Drailen; and a host of loving and caring cousins, friends, and other relatives; a best friend and the godfather of his two daughters, Tian Nash

“ Words can't express how I feel and how I've been feeling. You were always smart, handsome, funny/corny, helpful, willing, and lovable. I can sit here and describe you all day but those stuck out the most. I always adored how you were always you, you never tried to be anything you wasn't and for that I loved you even more. Damon I miss you to the point that it hurts to think about you. I want you to know that I will always love you and I will never forget you. My prayers and deepest sympathy go out to the family. I pray that God heal you all and give you all the strength to get through this devastating tragedy.
