“ I was lucky enough to meet and work with Miss Sutton when she was staying at Future Care. She was the sweetest woman and I always looked forward to going to see her and hearing her contagious laugh. Last time we spoke she called to wish me a happy anniversary (she remembered the date) and we planned to go get some peach cobbler in the near future. I'm so happy I had the pleasure of knowing her and I'm sending thoughts and prayers to the family.

“ Mrs Sutton was good friends with my mother Janie Briscoe. My mom passed in June 2017 and she was heartbroken and comforted me with stories of them talking about making cloths. She called me sometimes just to see how I was doing and to let me know she was proud of me. She frequently complimented my singing on the choir and the Men's Chorus.

I will miss her words of comfort. She was short and to the point and always said the right things. I am a better person today for having had her in my life

“ Mrs. Sutton will dearly be missed. My family's home was one block over from her residence. I loved visiting Mrs. Sutton because she was always so inviting and gave the greatest conversations. Her pure heart and gentle soul reminded me so much of my Grandma's spirit. Yes, we are church family but we are friends as well. It was truly a pleasure to be in her presence....such a pure gem, Mrs. Sutton was.

Sending my love and heartfelt warmth,
