

Helen C. Cook

June 18, 1941 - March 29, 2020

Helen Clementine Cook, dear mother, grandmother, sister and aunt departed this life peacefully, after a year of failing health, on Sunday, March 29, 2020.

Helen was born in Mizpah, New Jersey on June 18, 1941. She was the fourth of eight children born to the late Helen Hawthorne Cook and William Howard Cook, Sr.

Helen was educated in the Baltimore City Public Schools and received her professional nursing degree from Baltimore City Community College.

Helen was blessed with two loving daughters—Ingra Denise and Toni Lynette. She set the example of a committed, independent single parent, often working two jobs to provide a comfortable life for her family. Helen's dedication to her nursing career was demonstrated at Spring Grove Hospital Center, Provident Hospital/Liberty Medical Center, Bon Secours Hospital and several other medical facilities.

Helen was a very private person, many thought she was overly protective, but she truly adored her grandchildren and great grandchildren. After retirement, she actually raised three of her grandchildren. They knew "Grandma" always had their back, and they were with her until the end.

You would never find Helen "at the club," but she loved playing Bingo and Pokeno with family and friends at the Liberty Senior Center or any place she could find a friendly game. She also enjoyed those challenging 1,000+ piece jigsaw puzzles and could spend hours playing games on her computer.

A person with a good heart, who gave her very best in life—she will be missed greatly.

Helen leaves to mourn: two daughters, Ingra D. Williams (Michael) and Toni L. Cook; two sisters, Shirley E. Cooke and Mary Cook; one brother, Arthur Cooke; seven grandchildren, Robert, Robin, Rhonda, Rodney and Rochelle Samples, Keisha Artis and Kristina

Johnson Allen (Timothy); ten great grandchildren, and a host of dear nieces and nephews.

“ "My heart is so heavy with the loss of my sister. Helen was fiercely independent, extremely private, and often, gruff---but she had a good heart. And I was the person in whom she most often confided---particularly in later years. I would not wish for Helen to have to repeat this past year of failing health, pain and loss of independence. God has, mercifully, released her from those burdens, in these challenging times. But my heart is full and I miss her already."

Lovingly,

Shirley Cooke - April 01, 2020 at 02:15 PM
