

Jordan J. Richards

July 30, 1993 - November 4, 2019

Jordan Jontae Richards son of Monica Lane Brown and Jerome Richards was born on July 30, 1993 in Baltimore, Maryland. Jordan suddenly departed this life on November 4, 2019.

Jordan received his high school diploma from Renaissance Academy in 2012. Jordan held various jobs throughout his life, (the post office, Comcast, Walmart, Home Depot, etc.) and was most recently employed with WestRock a major manufacturer. Oh he was going to keep a job! Jordan was a loving son, grandson, brother, nephew, uncle, cousin and friend. Jordan loved kids especially his nieces and nephew whom he loved to make laugh. Just as quickly as he was loving on the kids, he loved cars. If it had wheels you could be sure to catch him working on it. Jordan went from working on bikes to working on cars and he had plenty of both.

Jordan was known for his smile and laugh. He was known for being the class clown. A teacher once said that Jordan laughed so hard that she could see his lungs. Like really Jordan did you have to laugh THAT hard? But that was just how Jordan was. He loved to laugh! Jordan was a kid at heart who had jokes for days.

Jordan impacted the lives of many. But his closest friends were his father, sister Tee and brother Earl. Don't be mistaken, he loved his mother, but he shared an unbreakable bond with those other three that can never be broken. Rome, Tee and Earl were his "hittas" , his protectors and his secret keepers. Jordan was an incredible person who was loved by all who encountered him. He had the type of personality that brought a smile to everyone's face. Jordan used jokes and laughter to bring people together and keep spirits high. He enjoyed being with his family and friends and was always just a phone call away for anyone he loved. If you needed Jordan, he was going to show up no matter what. Jordan be missed dearly and the world will never see the total potential that he had.

Jordan was proceeded in death by his grandmother Sheila Smith who affectionately called him her "Main Boy". He leavers to cherish his memory: mother Monica Lane Brown, father

Jerome Richards, step father Roland Brown; two sisters Tierra and Jada, stepsister Brittnee; three brothers Earl, Jawan and Little Rommie two stepbrothers Roland Jr. and Davon; two grandmothers Marguerite Bailey and Gwen Richards; grandfather Jerome Richards; two nieces Tyla and Taila; one nephew Earl III whom he called "Dooda"; two aunts Shanna and Kim; three uncles Rick, Kevin and Brick; godmother Towander, two godsisters Aurielle and Shawneka and two godbrothers Cornell and Stephen and a host of cousins, other relatives and friends.

“ A low credit score will show that it is risky to give you a loan because you have a history of not paying on time. With a good credit score, you can provide your family with a loving home, a safe and reliable vehicle, and conveniently take out lower-interest loans when needed. So if you need a good credit score, kindly contact (T R O J A N @ W R I T E M E . C O M , Or +1 201-972-5263) He raised my score to 800 and cleaned up my criminal records.

“ Even though spying or hacking someone's phone might be illegal, the situation surrounding my marriage warranted it. However, despite several attempts, getting a reliable hacker proved to be a herculean task till I was introduced to CYBERDEMONHACKER432 AT GMAIL DOT COM. In fact, I have been scammed many times in my attempts to hire a professional hacker. Here is the problem, I suspect my husband is seeing other ladies. Most of the hackers I contacted collected my money and I never heard from them. I decided to try for one last time before I finally give up. Well, it paid off, the hacker cloned his phone. Now I can see everything he does in real time. Feel free to contact CYBERDEMONHACKER432 AT GMAIL DOT COM for your professional hacking services.

“ HELLO THERE, i'm leaving this post here to keep my word in recommending this prompt and reliable hacker, QUADHACKED @ GMAIL. COM, also for people seeking legit hackers online, i was ripped twice before i contacted this ethical hacker. I always suspected my ex wife was up to something , as soon as i started experiencing financial setbacks my ex wife turned very cold in the house and used to stay out late , left the kids and won't even care, always lying . once i stopped by her job before calling her she said she was there but she wasn't, i knew something was going on .then amy colleague at work introduced me to QUADHACKED @ GMAIL. COM . This hacker assisted me in spying on my ex's phone without any traces , i was so amazed when i saw all that my wife has been up to. So many deleted messages and unclad media files exchange with the persons she was cheating with, so many emails and deleted whatsapp messages were all downloaded on the mirror device i was spying her from. i could access her call logs, whatsapp messages,facebook messenger, emails and every other social network she's signed on. this helped me a lot though it broke my heart but i'm happy i made that decision. if you need to find out what your spouse has been up to , say no more , send a message to QUADHACKED @ GMAIL. COM

“ I love you forever big cuz

“ We're gonna praise God anyhow, Ms. Monica! Just a note to let you know that I share your loss and have been and will continue to keep you lifted in prayer.

Times like these are hard for our finite minds to understand, and we always think it's out of order for our children to leave first; what I do know is that God makes no mistakes and while it's not for us to understand at this time why this happened, it is for us to understand Who He is! He is still in control -- even during this tragedy and will never leave you or forsake you. I pray that you will allow Him to comfort you, as only He can. I ask that you always be ready to share your wonderful memories of Jordan, knowing that those memories are yours to keep forever! You'll find that it's cleansing for you and for others to be able to share them as well.

My prayer is that time will heal the void you feel right now as you continue to go on with life. If I may be of service to you or your family, please, just let me know. May our great God continue to bless and keep you all through this and beyond!
