“ To the family: Please accept my sincere condolences for the passing of Josephine. I had the pleasure of working at the U.S.P.S. with Josephine. She was such a kind and gentle soul. In retirement, we lose contact with each other; however, I will forever remember her. Rest In Peace. Family, lean on God. HE will take care of you all.

“ Sending love and prayers of comfort to the Nelson and Fleming families. Carmen and Darryl, I was blessed by your mom's friendship for more than 60 years, from grade school to college. Throughout the years our reunions were always joyful, our phone conversations epic. I've always appreciated and admired Jo's intelligence, humor, strength, her adoration for her family and for the Lord. Her legacy of faith, family and friendship endures.

“ To the Family of Josephine Nelson Fleming, I extend my deepest sympathies. Jo and I met during middle school and attended TJ together. Two bookworms who did not quite fit in. I was privileged to share these early school years together. Even though we didn't see each other much when we did things seemed the same. I will miss you. Rest well my friend and I will see you on the other side!

“ Josephine was such a nice, kind, sweet and giving person. She always cared and helped others in need. She was a great friend and knew each other since elementary school. I will truly miss her. Rest well in Paradise my dear friend, you fought a good fight, you finished the course and you kept the Faith.
