

Justin R. Lewis

March 5, 2000 - December 14, 2019

Since you all are here for my farewell, sit back and relax because I have a story to tell. I has so many unfulfilled goals, dreams and plans, but sadly, my life ended where it all began at Sinai Hospital. On March 5, 2000, I was born to Jessica Ann. Her heart was filled with love and joy when she held my little hand.

I made my rounds in Baltimore City Public Schools. I even held down a couple of gigs, but yall know that music was my true passion. I dropped 15 of my own singles & freestyles, and did a couple of features too. Music was my life; it's what I loved to do. So if you haven't done it yet, check out my latest single, "Heart on Ice" on YouTube.

My days were filled spending quality time and bonding with my son. If you asked me what my greatest hit was, I'd say Jaden is my number one. We would stay up all night playing, eating and watching his favorite show. I would have never guessed in a million years how soon I would have to go. Don't worry son, I'll still watch you grow from the heavens above, for in this life, and in heaven you fill my heart with love.

Writing and recording music, playing the game, scrolling IG, uploading YouTube vids and watching dirt bikes were some of my favorite things to do. I loved spending time with family and friends. I easily connected to people; I made a connection with you.

My other past times included me telling jokes and making people laugh. Aside from turning my thoughts into art it was an easy way to make the time pass. I loved whipping up crazy food concoctions and eating popular local foods that I saw on IG. I'm telling you, those Honeybun Smackers always hit the spot for me.

Since my performance is complete, I leave my son Jaden Amir to carry on the beat. My sisters, Jada and Marie always showed me their loyalties, all I ask is for yall to just keep spinning my records and keep my memory as royalties. I have the best Entourage, Dorothy (Ma-Ma), Wanda (Grandma), Nakieta(Sister), Iris, Sophia, Jermietra (Aunts), Robert (Netta), Steven (Carolyn), Roderick, Jr., Jerod (Uncles), Jason (Big Homie),

Brittani, Brielle, Eugene, Emanii, Taylor, Rocko, Jordan and Ryan are my cousins from whom I first rocked a show. I can't let yall forget about Kiara, she's my favorite in case you didn't know. Kenneth/Byrd, that my DAD, he's always got my back, my bond with my brothers was unbreakable Travon, Daquan and Desmond, the love love was unmistakable.

I was preceded in death by three kings; my grandfathers, Roderick Thomas, Sr., Kenneth Chambers and my big cousin Darian Hicks that taught me great things.

The love of my life was Erin, she was truly my best friend. I hope you carry me in your heart forever until we meet again.

I saved the best for last, my mother, my Queen Bee; she always did all that she could and took the best care of me.
