

Marketer Greenway Lester

October 24, 1943 - February 22, 2021

Marketer Greenway Lester, affectionately known as 'mommie,' 'ma,' and 'Keeter,' departed this life on February 22, 2021. She was born on October 24, 1943 to the late Wallace and Emma Clay. She was preceded in death by siblings Diane Harrison, Holland Jr., Lloyd, Shirley and Daniel Blount.

Marketer was educated in the Richmond Public School system. She was employed by Deluxe Check Printers and retired after over 30 years of service. However, she didn't sit still during her retirement, she worked part time at Glen Lea Elementary School. She quickly became known as 'grandma' to so many children. They loved her and she loved them. Marketer was a great caregiver, a loving and giving person who was always willing to give you the last dollar she had.

Left to cherish her life, Marketer leaves precious memories for her loving and devoted daughter, Cindy Dulin (Randall); two sons, Carl Lester, Jr., and Prince Redd; one sister, Peggy Greely; one brother, Roy Blount; one uncle, Milton Coleman (Maria); one great-aunt, Rosalee Johnson (Samuel); one granddaughter, Rayven Dulin; and a host of nieces, nephews, other relatives and friends.

The family wishes to express their sincere thanks and appreciation for your prayers, thoughtfulness and many acts of kindness. A special thank you to Michael Artis, Jackie Coleman and Beverly Hodges. Please continue to keep us in your prayers. May God bless each of you.

"Your Mother"

She is the sound of the rain that lulls you to sleep, the colors of a rainbow, she is Christmas morning. Your mother lives inside your laughter. She's the place you came from, your first home, and she's the map you follow with every step you take. She's your first love, your first friend, even your first enemy, but nothing on earth can separate you. Not time, not space...not even death.

“ To Cindy and family of our beloved next-door neighbor. We , The Staves Family , are heartbroken at the loss of our dear Marketer. She was a dear friend to my mom and took care of her in so many ways. When mom died she was a constant companion and friend to our daddy and upon his death she helped Stanley cope when he couldn't find his way. She was my sister's babysitter for Kameron who is now 19 and she watched after Darian who is now 30. They both got a chance to see her before Covid hit. They are just torn . There are so many things to be said about the woman she was. Just know we loved her.

“ When I think of Mrs. Marketer I reflect on the many times coming over to the house. Cindy and her mother had a good relationship. Mrs. Marketer was always moving around cooking or something. She would always have something good for me to eat especially shrimp. I would eat up all the shrimp and her husband would get mad. We would laugh about it. When I was unemployed she got me a job at Deluxe which I was very appreciative. It was very easy to see where Cindy got her looks from because she was a very beautiful lady. I've seen younger pictures of Cindy's mom and she was a knockout. I miss those days and I know for sure she will be missed. I love you and may you rest in heaven.
