“ I will always cherish the memories of being Pat’s “practice daughter” when I was a little girl. Pat would take me to the park and duckpin bowling at the old Colt Bowling Lanes on Security Boulevard. When Pat was renovating her home, I would go over and “help,” and she would share her childhood memories of my mother. I appreciated Pat’s encouragement, cards, and gifts to me through high school, college, and Graduate School. My family and I will never forget how kind and caring Pat was to our mother. Pat always sent Mommie flowers on her birthday and when Mommie became ill, Pat would send flower to her whether at the hospital or at home. When I would call Pat to thank her, she would always say, “I just wanted to make her smile,” and she did, we all did. Lauren, may your love and memories of your mother sustain you through this valley moment and for years to come. I pray that the knowledge that Pat knew how much you loved her and how well you took care of her to the very end will bring peace to your soul.

Most sincerely, with love, prayers, and support,

“ My mom and I were a part of Mrs. Pat’s hairdresser family. We would all be on the same schedule at Stephanie’s and would see each other frequently in the beginning. Mrs. Pat always had a beautiful smile and kinds words at every encounter. She was a strong, beautiful, kind and intelligent woman. I always enjoyed seeing and talking with her! We are going to miss her but she definitely was a bright light that will shine for eternity.

My family sends love and prayers to Lauren and family during this time.

“ I always fondly recall 'the plant lady'. Pat and I would talk for a while about types of flowers that was good for the garden. I was new in my home and to planting, and soaked in her vast knowledge and excitement about beautiful flowers of all kinds. Rest in Peace beautiful plant lady!

“ On Tuesday January 19th, my mother Patricia Briscoe gained her wings. Mom was my world! We loved each other and had a special lifelong bond full of love, admiration and respect for one another. I miss her so much. My heart hurts knowing our time together has been cut short in life, however when I think about the memories we shared I can only be thankful and feel blessed for the amazing times we had together. Many who know me, have gotten to know my mother too. She was always right there to support me every step of the way in life. She was a **STRONG** educated woman, a civil servant, a community leader, a historian, a great friend, cousin, aunt, partner and an outstanding mother. She was truly an extraordinary human being who would shine her light everywhere she went. Im so proud to be her daughter, but even prouder that she was MY mother. I love you Mommie! You will live in my heart forever! Rest in Heavenly Peace! Until we meet again!
