Dear family

At this difficult time I just want to let you know that I am there with you in prayer. She was a beautiful woman inside and out. While always being dressed from head to toe, her smile was what pulled that look altogether. I will cherish those moments talking to her and listening to her.

She will be missed but is in a much better place with no suffering. Resting with her beloved "Sonny".

Just know that I am praying for and with you always.

Love you all
