Miss me a little-but not too long

And not with your head bowed low.

Remember the love that we once shared,

Miss me-but let me go.

For this is a journey that we all must take
and each one must go alone.

It's all part of the Master's plan,

A step on the road to home.

When you are lonely and sick at heart

Go to the friends we know

And bury your sorrows in doing good deeds.

Miss me-but let me go
