“ I had the privilege of commanding HHC 175th where (then) SGT Harkless was assigned. It's been ~10 years since, but I remember him as always being there and willing to help with a positive attitude. Still, I know he's far too young to go stand in final formation. RIP Sean Harkless.

“ I met Sean in the Army. We were not in the same platoon but I got to spend a lot of time with him during training and AT's. Eventually we started to hang out outside of drill and it was a lot of laughing. Sean was an amazing NCO in the Army but outside of the uniform he was a caring, generous person. After I got out we stayed in touch and my wife also became friends with Sean and they also spoke often especially when they were both going through so much medical issues. He lifted her up and made her laugh at a time most people couldn't. But that was Sean! We will forever miss his laugh and his smile. Sean was a very special man and we will miss him dearly.
