

Stanley Johnson

November 26, 1953 - July 16, 2020

STANLEY EARL JOHNSON, son of George Earl Johnson and Queenie Adelaid Frazier, was born on Thanksgiving Day, November 26, 1953, in Baltimore, Maryland.

He attended Baltimore City schools and graduated from Edmondson High School.

As a young boy, Stanley had a strong work ethic. He received several certifications for computer technology. He was employed at Equitable Trust for over two decades. His final position was as a receptionist at Imperial Condo on Clarks Lane. As his health began to fail, he had to discontinue his position as a receptionist. Stanley loved the Lord and enjoyed serving as an Usher at Wayside Baptist Church. As he began to have more health issues, he had to discontinue serving on the Usher Board.

His wife, Carla, lovingly says that "Stanley was a good father to Kenith and Theodore. He was a wonderful husband. He always said we were a team. His strengths were my weaknesses and his weaknesses were my strengths. We complimented each other. Some folks looked at us as a comedy team because of our funny responses to each other."

Left to mourn his passing are Carla, wife of 38 years; sons, Kenith and Teddy; sisters, Gloria Colonel and husband Joseph, Joyce Bias and husband Lee, and Sheila Davis; daughter-in-law, Jacqueline Walker; grandchildren, Montria, Khai and Kharrington Walker; mother-in-law Ruby M. Lee; a host of nieces, nephews and friends.

“ I really miss my husband. We were married for thirty-eight years/ I loved him so very much. He was a wonderful husband, father, brother, friend, and a Christian with love in his heart for his fellowman.

“ My deepest sympathies are to you Ms.Carla & the entire Johnson Family. Mr.Johnson was a GREAT man and was very well respected by those around him. My name is Aisha and I am 17 years old , I worked at Autumn Lake in the dietary department. I would love to share my memories and experiences I had with Mr.Johnson. He was one of the first people to ever greet me when I started my job. I started with no experience and he wanted to do everything he could to help me and make things way easier for me, and I truly respected him for that. He notice me and he notice my work ethic. He greeted me everyday I came in and told me how proud he was of me because I was so hardworking and did everything I could to help those around me. As the weeks started to pass by we started to form a GREAT bond . I looked up to him as my grandfather he had such a great heart. Due to covid 19 the dinning room had to be shut down so I started to visit him in his room time to time to make sure everything was okay. We would sit and have long conversation on my break, and he would tell me funny stories and how great his family is... He had some great laughs. His favorite thing to say “you got some graham crackers you know I want some “ lol . But I will always remember the our last conversation I said “Mr.Stanley you are my favorite “ and he responded back “NO you are MY favorite” . I truly wish I had a chance to say goodbye I will miss him dearly. -Aisha
