“ Timmy was the most caring person I knew. He helped me through some rough times. I called him my brother from another mother. He was a family man and great friend. I will greatly miss him. My heart and prayers go out to the family for strength and healing. May you rest in peace brother.

“ My brother was an outstanding individual. Always positive whenever we spoke. He understood life, the hardship and the gentle part of it. Timmy was very hard working, our conversations were good when we talked and saw one another. Sadly, my family is very split on my fathers side of the family, but one thing for sure, ive known timmy from a child, and it's no denying that's my big brother. Lol. I wish we had more time to grow closer, because it's still so much I don't know about you. But I promise to keep in contact and help much as I can with the ones you hold so dearly to your heart, my nieces and nephew. Your children. Love you big bruh and guide us all. Rest up

“ My name is Gracie Coleman and the aunt to Timmy Bates, his father's sister. I'm so sorry for this loss even though we didn't keep in touch with each other. I spoke to him last when he was hospitalized. I remember him as a little boy when him and brother lived with my mom. Rest in Paradise and watch over your children. God bless.
