“ We are going to miss the visits you made to North Carolina and Tim and Mae hanging out with the Johnson/Outlaw /Jones /Bryant clan. We always looked forward to seeing you where ever we were with Gloria and Eddie. You have always been apart of Family for the better part of the last 20 years. Losing a loved one is very hard and there will be some dark times ahead but find comfort in knowing that the scripture says that " after the darkness of night has passed, Joy cometh with the brightness of the morning".

We are with you in your sorrow!

The OUTLAW FAMILY REUNION CREW.

“ The morning we heard of your passing was unbelievable and hard to accept. It's like we were still anticipating you to stroll through the door any minute as though it was a bad prank. (And you know how much we love a good prank!) We all took turns thinking about how we were just sharing a laugh with you the day before at different parts of the day for each of us. If we were having a rough time in the office, you would come through the door and say something that would turn our mood completely around. Always a smile on your face no matter what was going on. The residents have called with their well wishes to your family and reminiscing of the work you've done in their apartments, while sharing fond memories of you. You've stolen a piece of our hearts and taken it home with you but, you left beautiful memories for us to treasure and keep with us. Thanks for the good times, Tim. We love and miss you. Your work family (Adam, Kevin, Abdul, Stacie, De'Nay and Bria).
