It can be hard to face each day without your loved one, (especially if it is a baby or young child) but the love and support of family and friends, and, of course, our loving Creator, can help to ease the pain and sorrow. Again, please accepy my sincere condolences.*

“ May God continue to comfort all those who loved Baby Aaron. It is truly painful when it is a baby. However, we can all look forward to the time when death will be no more and instead of tears of sorrow there will be tears of joy. I know he will be missed by many. Please accept my heartfelt sympathy.

“ To the family please accept my condolences.
I am so sorry to hear of the death of such a young baby.
You know God's word is never short of comforting us.
Such as Rev 21:3,4 where we are promised that
Almighty God will remove death, sickness and pain. Only then
will we be truly able to live forever on earth.
I hope that this will encourage you during your time of bereavement.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
