“ At this difficult time so many people care deeply about what you're going through, though no one can truly understand all that you feel...But please remember how much we care, and know you're surrounded by warm, supportive thoughts and wishes for strength and peace today, and in all the days to come.##imported-begin##The March Family and Staff##imported-end##

“ Grandmother, words can not express how much I am sorry for your loss. You were an excellent daughter and friend to great-grandmother. She lived a long and lively life. Instead of mourning over her passing, rejoice in her new life. "GOD" called her so that she could shine some light on the people down here. She will be missed but never forgotten. Love Always, Shanae.##imported-begin##Shanae Walker##imported-end##
