

## Baby Adrianna J. Brice

August 22, 2016 - September 13, 2017

On the 13th day of September 2017 Adrianna Journie Brice fought her last battle and moved to her reward to be with God.

Adrianna's story is an incredible one overcoming what others had predicted for her life story.

Adrianna was diagnosed with the most severe form of holoprosencephaly. Holoprosencephaly affects the development of the brain and they predicted that she would not survive the birth. They also said that if Adrianna survived the birth that she more than likely would have not show any activity and not have any control of her body. Well, she far exceeded any prediction of that when she was born. She was screaming, kicking and letting everyone know that she was here.

Adrianna was dedicated at the Berean Baptist Church of Baltimore City, under the leadership of Dr. John A. Linn, Sr. Pastor.

Adrianna was a strong soldier and each day she taught all who held her, kissed her, and touched her how to love unconditionally. Adrianna was a true miracle of God and everyday she was with us, was a special gift.
