“ I walked into Margaret Pagan's home for a meeting of historians and genealogists. Entering the dining room, I went over to the lady at the end of the table and hugged her. She looked up at me and said, "Who in the world are you?" I spent almost 40 years showing her who I am. We roomed together through South America, the East and West Caribbean, and London. She encouraged me to visit Africa and I traveled to 11 African Countries. We debated the cultures of East and West Africa. We discussed religion, children, philosophies, The DaVinci Code, whatever. I combed her hair; she fussed about my ironing too much. We confronted Confederates in Gettysburg and danced in Lincoln Square in NY. Of course she inspired me to research my family, but I would rather tell the story of Nell Butler and Sotterley. Will I miss my friend? Of course. But as the Pharoahs believed that we are nourished by the living and the dead, I am nourished by Agnes Kane Callum. She is my Makeda, Hathshepsut, Nzinga, and Yaa Asantewaa! A true African American Women. I have been blessed to experience her multi-faceted teachings and living.

“ My personal memory of Agnes will be the bus trips to St. Mary's County that she led. All the participants from the Baltimore Archdiocese basked in the joy that she created as they visited every site each year, including Tudor Hall. Her painstaking genealogical research and publishing will live on forever and families all around the country bless her. Our very best to her family and countless friends. “ Agnes touched many hearts and souls. She was the light that kept many going in search of their ancestors. Her life's work will remain with us all and her legacy will forever be. Thank you Agnes for your love and passion of black folk and your gifts of research and correcting the historical record of African Americans. You were the North Star for so many who were seeking freedom to know from whence they came. Thank you for sharing your gifts and I am so glad that I had the opportunity to meet you and discuss with you your love and passion for African American Genealogy. Now you will visit with those ancestors that we are still trying to find. Rest in peace
Love,
Vivian Fisher

“ I met Agnes Callum in the spring on 1991, at a genealogy meeting in Baltimore. At that time she was publishing her yearly journal, *Flower of the Forrest, A Black Genealogical Journal*. During those years, she was steadily researching African American history of St. Mary's County Maryland, and expanded her focus to include other parts of Maryland as well. She inspired all of use who met her, and I owe much of my own work to the model that she presented. She saw the value of looking at the larger picture, and sharing much more beyond the confines of one's own single family. She saw the value of the community having a story and needing to have it's voice, long silenced, be heard. I value the lessons that I learned and owe so much of my work, to her and her insistence to put something down on paper.

She has left an amazing legacy, and we can only be grateful that we were honored to have been influenced by her. We shall miss her, but her legacy will continue.

Thank you Martina, Martin, and Agnes Helen for sharing your dear mother with the rest of us. We are all grateful.

Such a treasure of a lady...so happy she always had time to give guidance on the development of the East Baltimore Historical Library Project. This lady was truly a personal blessing in my life. And, will definitely assisted in creating sacred space.

“ *What a loss for us all. Agnes Kane Callum was a gift. I felt honored that she agreed to share her history with me and I have treasured her as an inspiration, mentor, and friend over the years I have known her. I only wish I had seen more of her. She should have lived forever. I guess that's greedy. I thank her wonderful family for sharing her and wish them comfort in their grief. May their hearts heal quickly.*

To the Callum family, I am sincerely sorry for the loss of Mrs. Callum, the family rock and matriarch. She led an adventurous and spirited life. She had such a quest for knowledge. Her love of Maryland history and genealogy led her to some amazing discoveries that she shared with many people. In many ways, she was a true teacher. We will miss you Mrs. Callum. May God bless you always.

“ I have always thought of myself as blessed for having met & heard Agnes Kane Callum speak as a genealogist. Many of my stories of research included things I had heard her say. The memories she has given me will last forever and I will never forget this wonderful woman and how she mentored me and the Baltimore AAHGS members. My Delaware AAHGS members know of her greatness and positive influence. She may have passed on but her legacy will never die. Take comfort in knowing that she is now a genealogical lesson and inspiration for all. My sincerest sympathy. Erwin Polk MSU class of 1974 & V.P. of Genealogy for DEAAHGS.

The USPS "UN-KNOWN LINE" knew Mrs Agnes. She kept the overnight shift wide awake. Lol Her laughter was so infectious that it was always fun time when we worked with her. Ms Agnes and my Mother became very close friends and co-workers. She always asked about my family and knew each one of us, our children, our children's children. I have nothing but LOVE for her. Rest In Peace Ms Agnes.

“ Sometimes in our lives we are fortunate enough to meet someone who is truly extraordinary, and there are so many of us at Sotterley who feel this way about our beloved Agnes. Her contributions to our organization have truly helped set our course and our path, and her time on our board, both active and then as an emeritus, will remain a critical milestone in the ongoing history of this site. Never shirking from the truth yet always keeping her faith in humanity: she was an inspiration to us all.

Our hearts, thoughts and prayers are with her wonderful family and all those who loved her so dearly.

“ *My Dearest Martina and the Callum Family, Our prayers and good wishes are with you. The celebration of your Mother's life should be joyous. You all are so fortunate to have a loving parent for so long. Auntie Agnes lived life on her own terms. May we all learn from her Grace. There is so much to be learned in 90 years. Thank goodness we can continue to learn from her shared love and enlightened writings. Peace Be Unto You! We love you, Celeste-Linguere and the Guys, Phoenix, AZ*
