“ *Pleas accept my heartfelt condolences for your loss. Jehovah God never intended for people to get sick and die, because it was never his original purpose. We die because of the disobedience of Adam, but we have an opportunity for everlassting life through the obedience of our savior, Christ Jesus. 1st Corinthians 15:22 tells us, "For just as in Adam all are dying, so also in the Christ all will be made alive." One day people will be able to live on this earth in peaceful conditions, without sickness, death, or cemeteries to stain the future paradise earth ever again. 2nd Peter 3:13 says, "But there are new heavens and a new earth which we are awaiting, and in these righteousness is to dwell. So please find comfort in his promises, because his word will be fulfilled.##imported-begin##R Johnson##imported-end##*

“ To the family and friends, I offer my sincere sympathy. The loss of one we love causes much sorrow and grief for us all. But there is a remedy to this condition of death. It is the resurrection promised by "the Father of tender mercies and the God of all comfort who will comfort us in all our tribulation" 2 Corinthians 1:3,4. Job 14:14,15 lets us know that God has a "yearning" an earnest longing and desire to resurrect the dead. May you find comfort from these promises in God's word the Bible as we await the fulfillment of this wonderful provision.##imported-begin##Gwen Winston##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, "Even time indefinite he (God) has put in their heart," says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
