“ *I know you don't know me, but I saw Ms. White's obituary; I wanted to send you my condolences.*

As humans, we grieve over the death of a loved one; that's normal, because we know Jesus gave way to tears (John 11:35) after the death of his close friend Lazarus. He demonstrated what resurrection will mean for mankind; in John 11:11, 14-44, "Jesus said to his disciples, 'Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep.' Luke 23:43 provides us the hope for paradise here on earth, because Jesus stated, "Truly I tell you today, YOU will be with me in Paradise." Jesus statement meant that "All the earth will be transformed back into a paradise under the rule of Christ as King!

1 Thessalonians 4:13 Paul instructs us to not be ignorant concerning those who are sleep (in death); This hope Paul mentions is the hope for the restored Paradise on Earth, as Jehovah God had originally created for all of mankind to enjoy.

“ *(Romans 15:4) For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope.*

I am one of the international Bible Students in the area. I would like to send condolences to the family. There is a God of comfort and you can read your Bible so that he can help you during this time in your life. I hope these scriptures help comfort you.

(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.
