“ *I send my condolences to the family on your loss. Even though it is always hard to lose a loved one, there is comfort to be drawn from the Bible. We can see our loved ones alive again because Acts 24:15 tells us "there is going to be a resurrection". I hope that you can find further comfort from the Bible.##imported-begin##Kendra Adams##imported-end##*

“ My sincere sympathy goes out to your family. May you find comfort in the resurrection hope. Jesus demonstrated the power of the resurrection at John 11:38-44. Almighty God also promises to remove our enemy death at 1 Cor 15:26. May these scriptures comfort and help you through these times.**###imported-begin###Mrs. Howard###imported-end###**

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hi ! Richardson's ! I would like to send my condolences to all. Albert was almost 42 years old when death broke the circle of life. There were many things that Albert did during those years that made him happy. The time is coming when no one will die at all for what ever reasons ,there is such as illness, crime, unforeseen happening not in our control, etc. We can be comforted by our creator in all our tribulations as stated at 2 Cor.1:3. Imagine the joy and happiness that will result when our dead loved ones are resurrected. May all the cherished and precious memoriесе of Albert reinforce all the many blessing ahead for all mankind. I hope these thoughts will be encouagment for all to read . Sincerely, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##
