“ I wish to send my deepest sympathy to the family of Albertha Jennings. Even though she lived the life span foretold in the bible of 70 or 80 years, according to Psalm 90:10, that is still not what God intended for us. He created us to live forever, and one day his wonderful purpose will be fulfilled. John 17:3 tells us, "This means everlasting life; their taking in knowledge of you, the only true God, and of the one whom you sent forth, Jesus Christ. Getting to know our loving father, Jehovah, and his beloved son, Jesus, then doing Jehovah's will, is the key to everlasting life. One day all of this pain and sorrow will be a thing of the past, and people will be able to live forever in peaceful and secure conditions. Isaiah 65:17 promises, "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." As for the dead, they will hear Jesus's voice and come out of the memorial tombs. John 5:28,29. May you be comforted and strengthened by God's wonderful promises.##imported-begin##R Johnson##imported-end##
