“ *Alfreda was a loving, beautiful and compassionate young woman. She was the type of person who was always doing things for others. She epitomized what you call a friend. She would go beyond limits to stand by someone she loved. I remember when one of our dear friend was sick. Alfreda would go to visit him everyday and sit with him when no one else was there. Upon his passing, she did everything to comfort the family and to be of any assistance. That's the Alfreda I knew. I know she is now resting in the arms of Jesus. Sleep my friend. I will see you again in that great getting up day. My prayers and love are with her children and family.*

“ Hello ! Harris ! I would like to send my condolences to you all , the family & friends. When we lose a loved one in death it breaks the circle of life. Many wonder if , Death is really the end? The bible say NO ,John 5:28, Isa.25:8. Imagine the happiness that will result when the dead loved ones are resurrected. A great time indeed. I am looking forward to that happening in the near future. Ms. Alferda was 62 years young. May all the cherish and happy times spent with Ms. Alferda support you all in the days and years ahead.##imported-begin##Lillian Crosby##imported-end##
