“ *She’s in a better place right now Than she’s ever been before; All pain is gone; she’s now at rest; Nothing troubles her anymore. It’s we who feel the burden of Our sadness and our grief;. We have to cry, to mourn our loss, Before we get relief. We know we’ll reconnect with her At the end of each life’s road; We’ll see her cherished face again When we release our earthly load.##imported-begin##Tanya Brice##imported-end##*
