“ *My family and I offer our deepest sympathy to Ms. Woodson's family and friends. As you reflect on her life and draw comfort from your precious memories, remember the One who is the source of life has given us a source of comfort doing times like these. The hope of the resurrection mentioned at Acts 24:15. We can find comfort in this hope because Hebrews 6:18 tells us it is impossible for God to lie. Let him be your source of comfort.##imported-begin##Gwen Winston##imported-end##*

“ The Nottoli family offers our sympathy to the Woodson family. The Christmas celebration is a time to rejoice in the coming and the death of our savior. I pray that you can all find some comfort during this time of lose in the fact that He came to save us all and those who believe in him will never die. The Lord shows great love for those how humbly take on the task of shepherding his people. You have done so much for His child and although she is gone because of your love and acts of kindness, I am sure she had drew closer to Him and in turn sits in His heavenly kingdom.##imported-begin##David Nottoli##imported-end##

“ Brian, Michelle, & Family: It is with sadness that I learned today of Ms. Woodson's passing after running into Brian. This woman of God showed no less than strength during her many months of trials and tribulations, as her body tried to be whole. Lord, heal what others were unable to. Bring peace to Ms. Alice's soul as well as her family here on earth. May you continue to bless them and show them the gift that you left them in Ms. Alice's memories coming to them in times unexpected. I ask this prayer in Jesus' name. Amen. “ Please accept my condolences for the loss of your dear loved one. Our "enemy death" will soon be "destroyed". 1 Corinthians 15:26 John 5:28,29 states: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out". May you receive much comfort and strength from this wonderful hope found in the Bible.###imported-begin###Sharon Hill###imported-end###
