“ I send my warm and heartfelt condolences to the family at this time of loss. How sad it is to lose a loved one. It hurts like nothing else, and it is so hard to come to terms with. Jehovah God knows the pain we go through at such times, and he has taken steps to end all sickness and death, and bring back to life those who have died. This was never his purpose or desire. His purpose as seen through Adam and Eve was for humans to live forever in a peaceful paradise here on this earth. Psalm 115:16 says, "As regards the heavens, to Jehovah the heavens belong, but the earth he has given to the sons of men." Isaiah 45:18 also tells us that he did not create the earth simply for nothing, but created it to be inhabited." (NeW World Translation) One day this painful life we experience in this world will be gone forever, because God has promised a new earth in which righteousness is to dwell. 2nd Peter 3:13. At that time Isaiah 65:17 promises: "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." Soon these wonderful changes will occur on the earth, and all obedient people will be able to live forever in peace. Psalm 37:10,11 One day our dead ones will rise from the grave to share in those wonderful blessings. Daniel 12,2 and Acts 24,15 lets us know that these ones will be ressurected. May you find much comfort and joy in God's wonderful promises.##imported-begin##Rita Johnson##imported-end##
