“ *I am so sorry to hear about the loss of your dear loved one. When a loved one dies the pain, the grief, and the feelings of helplessness can seem unbearable. At such a time we can find comfort in Jesus promise made to all who have loss loved one in death at John 5:28,29 which reads: Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out."*

“ (Romans 15:4) For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope.

*I am one of the international Bible Students in the area. I would like to send condolences to the family. There is a God of comfort and you can read your Bible so that he can help you during this time in your life. I hope these scriptures help comfort you.*

*(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.*
