“ Very sorry to hear of the passing of Allie Ragin. I knew him from his days when he worked recreation and parks at Lucks Field in the east end. I played ball for him there and as a little boy can remember when he first came thru the neighborhood recruiting kids to play. He invested a lot of time in the the youth. I remember him throwing us in the back of that old station wagon and off to another play ground we would go to play ball. God bless him and heartfelt condolences to his family.

“ There are so many fond memories that I have of my cousin, but the one that stick out the most is the love he had for my mom " his Aunt Daisy", on holidays he would always bring her a gift (flowers, candy etc) along with that unforgettable smile he had. He will truly be missed.

May your soul RIP.

“ Hello my name is Damion Royal. Allie Ragin was my godfather. He was such a huge influence on me in my early years of life. He was my father figure when my very own wasn't present. He encouraged me to get good grades in school and told me you will be rewarded for your hard work. He kept me in style when my mother couldn't afford it. He got me into playing sports and meeting some NFL and nba greats. He was such a humble man and expected nothing but effort. He will be truly missed. From one gentlemen to another. Mr. Ragin may you rest in peace and bowl everyday now.

Mr. Allie Ragin...so saddened to just hear of his passing; however, I shall always remember the effects of my learning under his teachings, at Union High School. Most importantly, he remained a part of our class reunion activities - was a faithful contributor to our successful events in the years that followed our graduation, in 1969 (our class having made history by being the very last graduating class of Union High School).

Family, remain close to the memories of your loved one, as he continues to rest in peace!
