

## Almaajid Muhammad-El

July 17, 1955 - January 12, 2009

On Monday morning, January 12, 2009 at Mercy Hospital, ALMAAJID MUHAMMAD EL said, "I am tired, I want to get some rest." He then closed his eyes and went to sleep. Muhammad has been ill for a very long time, but he persevered. He was truly a man of dignity. He was a very private person, even though he was jovial and fun-loving. Muhammad El or "China," as he was affectionately called, was the first son born to Pearl and Norman. He was born in Baltimore, Maryland. He was formally education in several institutions of higher learning. While he was experiencing life, China practiced Moorish Science. He had three children who were the love of his life. To everyone who knew him, China was a very ambitious person. Of his ambitious endeavors, he was employed by Baltimore City Department of Parks and Recreation, NASA in Fort Meade, and he even tried entrepreneurship with Chinaman's Productions. Muhammad's last endeavor was his place of employment at the Department of Human Resources. China lived a good and fruitful life, and he shared all of his wisdom and knowledge with his siblings and those who were near and dear to him. Other than his parents, China will never be forgotten by: his three children, Antwan, Ashanti and his best buddy, Hasan; two granddaughters, Shantwan and Teshae; four brothers, Darnell (who is a pastor), Shane, Norman and Abdul; four sister, Victoria (who is also a preacher), Allison, Melissa and Olivia; six aunts, five uncles, nieces, nephews; a special friend, Dezire; friends and co-workers.

“ *To the children and family: Muhammad was my team partner at 'Families Now' at DSS. I was shocked and sadden to hear of his sudden passing. You have my deepest sympathy. I remember Muhammad as a fierce protector of his children and a searcher for life's truths. May God rest his soul and keep you all in his loving care.##imported-begin##Cecelia Bowman##imported-end##*

“ *I met Muhammad through my niece who also worked for the DSS. He was a fun loving person and cared deeply about his children. His sense of humor was outrageous. He will be missed by the DSS family and as my friend. I thank God for giving me the pleasure to meet and have a wonderful friend as Muhammad.Husan stay strong and in prayer, dad is never gone as long as you carry his memories in your heart.
