“ *It is very difficult to understand why things happen the way they do. Rest assured there is a reason and someday we may know, but not today. Be strong for each other and think about the good times. I know how hard it is to lose someone very dear.##imported-begin##Cathy (Logan) Cook##imported-end##*

“ *My family and I offer our deepest sympathy to Ms. Shaw's family and friends. As you reflect on her life and draw comfort from your precious memories, remember Jehovah, who is the source of life, has given us a source of comfort doing times like these. The hope of the resurrection mentioned at Acts 24:15. We can find comfort in this hope because Hebrews 6:18 tells us it is impossible for God to lie. Let him be your source of comfort.##imported-begin##Gwen Winston##imported-end##*

“ I am so sorry that you lost your loved one in death. The grief we feel when a loved one dies can be so hard to come to grips with. We wonder why they had to go. One day all sorrow will be over, and sickness and death will be a thing of the past. At that time the bible says, "No resident will say, "I am sick.", because Jehovah has promised that he will swallow up death forever, and certainly wipe the tears from all faces. Isaiah 25,8. Then all those who are in the memorial tombs will hear Jesus"s voice and come out to happy life in peaceful conditions. John 5:28,29. May the wonderful memories of Almeda help you to cope in the days ahead.##imported-begin##R Johnson##imported-end##

“ I am very sorry to learn about the death of Almeda. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginnings. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
