“ I would like to express my sympathy to the family of Mr. Alonzo Key. The Bible is a book of comfort and hope. 2Corinthians 1:3,4 tells us that Jehovah is "the God of all comfort." And Revelation 21:3,4 lets us know that there will be no more sickness and death because "the former things have passed away." You can be assured of these promises because God is One, who cannot lie.-Titus 1:2.##imported-begin##Mary Farmer##imported-end##

“ I am the grandmother of some of Alonzo's niece's and nephew. Sometimes we see things happen to people and we say ... but then sometimes you hear about someone and you learn that they are changed by grace ,this was Alonzo's life. His mother's love reminded me that I cannot for one day take my children's love for granted and to tell them that God and I love them every hour of every day and forever. Peace be with you Alonzo, in God's loving arms.##imported-begin##Grandma Darlene##imported-end##
