“ Dear Family, My sincere condolences goes out to you. At times we will feel lost because our love one has died. However, bible accounts and Almighty God own promises assures us that "all those in their memorial tombs" will be resurrected. Please take the time to read that promise at John 5:28,29 and Revelation 21:3-5 and find a measure of comfort during this time of bereavement.##imported-begin##V Adams##imported-end##

“ I pray that you recieve the comfort and the strength that you need to cope with the loss of your dear Alveria. Losing a loved one is so hard to come to terms with, because we miss them so much; and long to see their dear faces again. It is so unfair that families have to go through this, and that is why God made the way out from death through the shed blood of his son Christ Jesus who died for us all. By means of the ressurection all those in the memorial tombs will hear Jesus"s voice and come out; those who did good things to a ressurection of life. John 5:28,29. If we are obedient to Jehovah's word, and exercise faith in his son, Christ Jesus, we will see out loved ones again when they come back to life, and they will never have to die again. May you recieve much comfort from the bible which tells us of Jehovah"s wonderful promises, and may your precious memories of Alveria help you to cope until the day of salvation.##imported-begin##R Johnson##imported-end##
