

## Alvin M. Attale

November 2, 1975 - March 12, 2018

Alvin Marvin Attale son of Andy and the late Patricia Moraldo Attale was born on November 2nd 1975 in the Twin island of Trinidad and Tobago. He departed this life on March 12th 2018 after his battle with Diabetes. He received his education starting at St. Barb's kindergarten then to Belmont Secondary School and completed his education at South East Port of Spain Senior Secondary School. He loved playing football, cricket and also became an aerobic instructor where he held classes in our community for free.

Alvin was always a hard worker, when he completed his schooling he began his career as a Steel Bender where he obtained the nickname (STEELE). He later on decided to leave home for a few years working on one of the world's largest cruise ships called the Royal Caribbean Voyager of the Sea.

Alvin returned home to get married and had a beautiful daughter which he called his "Little Princess" she was his life and his world. In 2005, he once again left his country of birth and came to live in Baltimore Maryland to make a better life for his daughter and himself.

Baltimore is where he settled for 13 last years of his life. He worked extremely hard doing Home Improvement and other odd jobs to make an honest dollar. He was loved by many and greeted them as Dad, Uncle or Cousin when he saw them, everyone was family in Alvin's eyes.

Alvin took great joy in making people happy. He would always greet you with a smile on his face and was always willing to lend a helping hand. He was a real brother's keeper in every sense of the world. Once you've interacted with him, you just had to love him. He was a real brother's keeper in every sense of the word. Once you've interacted with him, you just had to love him. He was a Beacon of Light, A Ray of Sunshine and the Life of the Party. Gone too soon but surely he will never be forgotten. " My little Short man" that's what his mother called him.

“ *U never said Donna I'm leaving  
U never said Donna goodbye  
U were gone before I knew it  
And only God knew why  
A million times I've thought of you  
A million times I've cried  
If love alone could've saved you  
You never would've died  
Your smile is all I see  
Your voice is all I hear  
Saying I'm alright Donna baby  
I'm happy now I'm here  
In life I've loved you dearly  
In death I love you still  
U promised you would've call me  
And I haven't heard from you still  
Yet, in my heart you hold a place  
No one else will ever fill  
It broke my heart to lose you  
But you didn't go alone  
Ah part of me went with you  
The day God took you home  
So I'm sending a Dove to heaven  
With a parcel on its wings  
Be careful how you open it Marvin  
Its full with beautiful things  
Inside a million kisses  
Wrapped up in a million hugs  
Just to say how much I miss you  
And to send you all my love.  
I love you my dearest friend  
Until we meet again  
RIP Marvin our Angel in the sky.*

“ Marvin you were truly an Angel from heaven. I love you and have been blessed to have known you in my life. You were an amazing man. You were selfless, genuine, hard working, and caring. I wish God had brought you in my life sooner but, I'm grateful for the brief time I've known you. I love you. I know that God has called you home and you are no longer suffering. I will see you again some day, my love.
