“ To my sister and family always remember - There's a land that is fairer than day and by faith we can see it afar. For the father waits over the way to prepare us a dwelling place there. In the sweet by and by we shall meet on that beautiful shore. Isn't it good to know that we will meet our loved ones again who have gone on before in the presence of our Lord and savior Jesus Christ there to part no more. So my brother until we meet again on that beautiful shore wait on us, rest in the arms of the Lord,
With Love from SiS and family (Mary Pittman Newark, New Jersey)

“ To my beloved husband, thank you for 56 years of being my best friend. I dare not complain, God has always blessed us with a love that very few people have experienced. My beloved rest on in the arms of God. You built a lasting foundation, and an amazing legacy for our children and grandchildren to continue to build upon, I promise You that they will continue to do so. I know that you loved me far beyond mere words, and I will always love you also, forever your wife, your Nell.
