“ I offer my sincere and heartfelt condolences for the loss of Anderson. One day there will no longer be any need for funeral parlors and cemetaries, because Jehovah God is going to swallow up death forever and certainly wipe the tears from all faces. Isiah 25:8 Why can we believe in his promises? Because he is a fulfiller of his word. He never failed his people in the past, and he will never fail his loyal ones today. Joshua, a prophet of the bible, reminded the Israelites of that fact when their faith weakened. At Joshua 23:14 he said, "you well know with all your hearts and all your souls that not one word out of all the good words that Jehovah your God has spoken to you has faild. "They have all come true for you. "Not one word of them has failed. At Isaiah 55:11 Jehovah says, so my word that goes forth from my mouth will proove to be. "It will not return to me without results, but it will certainly do that in which I have delighted, and it will have certain success in that for which I have sent it." So when God promises that sickness and death will soon end, we can rest assured that it will come true. Rev 21:4. May you be comforted by the sure hope of the ressurection, which will bring our loved ones back to us one day. John 5:28,29, and may your precious memories of Anderson help you to endure.###imported-begin###R Johnson###imported-end###
