

Andre Yates Brown

October 7, 1961 - July 14, 2016

On July 14, 2016, Andre Yates Brown entered into eternal rest. He was born in Richmond, Virginia on October 7, 1961 to Shirley Yates Brown and the late James (Doc) Brown.

Andre was baptized at Good Shepherd Baptist Church where he participated in the Youth Choir and the Boy Scouts. Educated in the public schools of Henrico County, he graduated from Highland Springs High School in 1979. He continued his studies at Virginia Commonwealth University and Virginia Union University.

Andre had a love for people in his personal and professional life, especially the youth. He worked at Beaumont and Bon Air Juvenile Correctional Centers. He also had a special place in his heart for the intellectually disabled community. Over the years, he worked diligently helping them find jobs, while working at numerous group homes. He volunteered for the Special Olympics as a softball and basketball coach.

Andre always wanted to make a difference in the world. Andre along with his business partner and good friend Michael Pearson, started Community Connections Day Support Program, serving the intellectually disabled population. Stemming from this endeavor came Hands of Unity Group Home. These two programs along with all of Andre's other contributions, he has truly

touched and impacted many lives.

Andre leaves lasting memories with his mother, Shirley Brown; wife Sabrina Brown; two daughters, Jessica Brown Bullock(John) and Jasmine Brown; three grandchildren, Jayla, Jay`Khia and Jay`Andre Bullock; and a host of cousins and friends.

“ *I met Andre when we worked at Cumberland Hospital. I was a young pup at the time and Andre took me under this wing as I began my career in the human service field. Our friendship developed from there and Andre welcomed me as part of his family.*

I enjoyed our numerous fishing trips together and of course our time coaching Special Olympics softball and basketball. My lasting memory of Andre will be his larger than life personality and his passion for working with people with disabilities. The people Andre worked with a Special Olympics and his numerous jobs in the human service field saw Andre not as someone employed to work with them, they saw him as their friend. As did most people who knew Andre did.
