“ *Dear Miller Family;*

While reading the online obituary, I observed the death of your love one.

Death is an enemy to all mankind and who can understand it? It can and dose have a devastating effect on you and your family as well.

Can you imagine reading a newspaper with the headline: 'When Death Is Swallowed Up Forever....' What a wonderful time that will be. Revelation 21:4 offers this hope, it states, "And he (God) Will wipe out every tear from their eyes and death will be no more, neither will morning nor outcry nor pain be anymore. The former things have passed away." What a comforting hope.

If you would be interested in learning even more, I can send you a little tract that is entitled "What Hope For Dead Loved Ones"? I am not selling anything or conducting any business of any sort, not now or ever. I am just showing Neighborly love like what (Mark 12:31) mentions. If you have any questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).

I offer my sincere condolences and my the God of peace be with you and your family.

*Sincerely Yours,
Brandy Molina*

“ I am so sorry for the loss of your loved one. May the God of all comfort (2Corinthians1:3-4), continue to sustain you during this difficult time. May you find solace in John5:28-29 and Revelation21:4 that tells us of a time when there will be no more sickness and death and when our loved ones will be restored to life on a paradise earth. With deepest sympathy.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
