“ I met Andrea through my career as a grant writer/fundraiser. In 2021-2022, Andrea was my mentor for a program called the Inclusive Fundraising Fellowship through the Association of Fundraising Professionals (AFP). She is the reason my career as elevated. She encouraged me to step outside of my comfort zone to join boards and network with new people, facilitate at speaking engagements, etc. I am so sad to hear of her passing, and I send my love and prayers to her children, husband, and family.

“ *Andrea talked to me down off the ledge a couple of times as a strong woman leader, talking to another woman who wasn't feeling so strong. I can't share specific details, but she kept me from killing some people, and she also made me see it from their point of view. She was very smart, nobody's pushover, but such a kind kind heart. I'm really gonna miss her and her wisdom.—Wendy*
