“ *I would like to send my love and condolences to Kim and her family. Kim has always been a great friend to me since I was a young girl and her father was always kind to me. He would make a great breakfast for us before we went to school in the morning and I was always grateful. I would like for Kim to know that I will keep her and her family in my prayers. Love Nitta:)*###imported-begin##*Trenitta Williamson-Brady*###imported-end##

“ Please accept my sincere condolences for your loss. Please remember that God loves us, and he doesn't desire anyone to experience the awful pain of losing someone in death they love. He is the source of all life, and he hates death; that is why in his word he promises at Isaiah 25:8 that he will swallow up death forever." One day your Andrew will awaken from the sleep of death into a happy and peaceful future, because this is Jehovah's promise to resurrect the dead. May you be comforted by the promise of the resurrection found at John 5:28,29 and Acts 24:15.##imported-begin##rita johnson##imported-end##
