“ Dwayne, Nicole - I am so sorry for your lost. I will always cherish the memories I have of coming to visit and experiencing Angie's hospitality...all the time and effort she put into making sure everyone had a plenty to eat...all the planning and work she put into making sure our stay was a comfortable one...and her beautiful smile! I will always remember her vitality for life and her willingness to give of herself. She was always interested in what new project I was involved in and eagerly shared hers' with me as we discussed the latest reading, sewing and cooking news as well as hints, tips and smart advice about taking care of our families. My thoughts and prayers are with you both as we let our precious wife, mother, sister and friend move on to her place of rest.
