

Angela Renee Buckner

April 27, 1966 - July 20, 2024

I gave my life to Christ at an early age at Shiloh Baptist Church, (Ashland, VA) which I continued to believe to trust in God and later in life joined Anointed New Life Baptist Church, (Richmond VA). I was educated in Hanover County Public Schools. Attended college classes at West Virginia Wesleyan, Norfolk State University, Virginia Commonwealth University and J. Sargent Reynold Community College. I did not receive my degree from any of the educational institutions, but I thoroughly enjoyed the learning experiences. I've worked many jobs in my lifetime beginning at the age of 13 years old working for Randolph-Macon College (Ashland, VA). I've also worked at KFC, Pizza Hut, Hanover County Public Schools, Boys & Girls Clubs of Metro-Richmond, Temp Agencies, Lawyer's offices, Insurance companies, banks, AMES, Murphy Mart, gas stations, office buildings and cutting grass. I wasn't afraid to work and with each position I've ever held, I gave it my all with the utmost excellence. All of jobs gave me a variety of experiences that I could carry on through life. But what I am most proud of is fulfilling the role of being a servant and working diligently for the Lord. I've served in many ministries of the church. I did my best to serve well despite some challenges. Through it all I learned to trust in Jesus and I learned to trust in God.

“ *I have to say I was in management for 30 years. Angela is by far in the top five employees ever. We worked together at Pitney Bowes in the late 90's. Her work ethic, attention to detail and punctuality was #1. Angela told me what would work best on a number of occasions:). We didn't speak often, however, you would think we spoke the day before. God bless the family.*

“ To God Be the Glory for this AMAZING flower He shared with us. Angie was more than a childhood friend. She was much like a big sister to me. From the advice she gave me growing up to becoming my Go-To person at NSU. She was always there whenever I needed her. Much like other childhood friends we didn't see each other often however when we did, it was as if we talked everyday. I will hold all of these memories close to my heart. Thank you Father God for this Beautiful flower. I love you Angie and will forever remember you!

“ Angie B, as I affectingly called her over the 30 plus years that we have been "sister friends". It all started at NSU along with our other sister friend, Cynthia Anderson. Angie was my "levelheaded" keeping me straight sidekick and had a special name for me when I was "out line"...Charmaine!! Not Christina!!

She was everything you wanted in a friend, and more. She loved our children as her own, and sometimes gave them advice as a caring Aunt Angie B. She will be missed more than she will ever know, but our hearts rejoice that she is singing and dancing to the tunes of Beulah Land, this is the song I sing for my wonderful and loving friend who I will cherish in my heart forever...and never to be forgotten.

*I'm kind of homesick for a country
To which I've never been before.
No sad goodbyes will there be spoken
For time won't matter anymore.
There my home shall be eternal
Beulah Land, sweet Beulah Land*

Now rest in peace my sweet friend, and I, too, will see you in Beulah Land someday and rejoice with love and laughter...once again.

“ Dear Angie, I love you with all my heart and soul. I'm so grateful that you and my mom (Cynthia) were college roommates and ultimately best friends over the years. I remember spending Easter's with you and your family in Ashland, all the fancy dresses you bought me when you worked at the Kid's fashion store, our bus trips, and your encouraging text messages that would wake me up at 3am because I'm on the west coast. I will mostly cherish how every year on my birthday it was tradition that you told me a story and one the main stories I remember is you said you arrived at the hospital before me (smile). I write these words with deep pain in my heart but I find solace in knowing that you now have eternal peace. Angie you've touched so many lives and gave so much of yourself to others. I thank you for all that you have done. I love you. Until the end of time. -Jasmine

“ My heart goes out to Angie's family. May loving memories of Angie bring you comfort. I am deeply saddened by the passing of one of my best friends who was truly a gem and a woman of God with a strong faith. Angie and I met in college, and from the moment we connected, I knew she would be a friend for life. We shared countless laughs, late-night study sessions, fun times at events and travel experiences that I will forever cherish. Angie had a way of lighting up every room she entered with her witty sense of humor. Whether we were cramming for exams or attending an event or family function, she always had a warm demeanor. I will miss Angie dearly. Rest in peace, my friend.

“ I knew Angela to be one of the most genuine people I’ve ever met in my lifetime. She walked the talk❤️ I have been in her presence when a person might have raised his or her voice, stomped their foot, threw their hands in the air or walked away with some attitude provoked by the situation. Never did I witness Angela forget for a moment that she was a child of God and always she honored Him with her words, her actions, her life.

Angela and I worked together at the Boys & Girls Club at Liberty Middle School. Her patience, her wisdom, her humor, her tutoring skills and her willingness to accept everyone everyday with endless love and respect won the hearts of so many young people, parents, and staff members. Over the years, our friendship deepened; she was always a beacon of light. She understood and shared the power of prayer- she intuitively knew the exact scripture to share to console one’s heart. Lucky am I that the Lord brought us together because I am a better person for experiencing this phenomenal woman as my friend!❤️ Rest in Peace, my dear friend. We know that you are now “Goin up Yonder, To be with [your] Lord.” - Love and prayers for the family from Shelby Salley

“ We are so sorry to hear of Angie's passing. Angie was such a giving and spiritual person. She would always text a biblical message almost on a daily basis. Angie would always call to check on mom and send greeting cards through mail. She helped so many of our children when employed with Hanover County Public Schools working with The Boys and Girls Club. Angie will be greatly missed and always remembered.
