# Tribute Wall

“ I send my condolences to those lost their mother, sister, aunt, cousin, just all around family. I did not have the pleasure of knowing her, but I joined her family through marriage. I married her son, Dwayne. I can tell she made a difference in his life because he talks about her a lot. That makes me feel like I know her. And her family always share pictures of her with her children. I just pray that she continues to watch over her family. And we will do our best to keep her memory alive.

I will always be here for Diane..so you dont have to worry about her. I hope you know how much you are loved here...and how much you will be missed...Im so sorry we ran out of time...I always thought we had tomorrow...May God give your family strength to get through this time...Im trying to leave a positive comment everyday on my facebook...just like you did....Rest Easy....
