“ *When the sun rise it is a blessing to begin life but when it sets the life of our loved one ends. Traveling on the road to life offer many challenges and sometimes sadness. When we lose a dear family member our hearts grieve. Death is so unnatural that when Jesus Christ dear friend Lazarus died he shed tears of sadness. He knew he had the power to restore him to life which he did but that emotion of sadness at that time exercised it's strength and tears streamed down his face. The resurrection hope is a guarantee for many who are sleeping in death presently. Job 14: 14,15 states that Job who was a bible patriarch endured so much suffering, he said if a man dies can he live again.....wait until my change come. So he believed in the resurrection hope and thought if he died he would live again. There are 9 resurrections stated in the bible this should be encouraging to us when we experience a loss. I am extending to you sympathy and care at this time of sorrow. May you find comfort under the shadow of Almighty God ever loving arms. 2nd Corinthians 1:3,4 brings out this encouragement. Look to the future with the thought of being together again in a world without death or sorrow.*

“ *Condolences to the Minor family. I am so sorry to learn of your loss. The Holy Scriptures assures us that the time will soon come when mankind's enemy death will be no more. May you find comfort in the words found in the Bible book of Isaiah 25: 8 when it speaks of a time when almighty God will swallow up death forever and tears will be wiped from all faces.*

*Jesus himself said that the dead ones will be brought back to life in God's new system of things. Just think how wonderful it will be to see these persons again. God says His Son will resurrect people - many - many millions of them, we have that promise at John 5:28-29. May God bless and comfort your family at this difficult time..*
